DICOTA

Products

2012/2

20 years of protection

Since 1992 DICOTA has been offering protective notebook carrying solutions of the highest quality. Our experience combined with our unique service level makes us a reliable partner to both customers and end users. As smart-phones become increasingly powerful and computers become ever more mobile we are addressing the current convergence of mobile devices with our range of high-quality standout carry solutions for tablets, notebooks and smartphones.

With 20 years of history we now focus on the future ensuring that DICOTA stays a leading brand. We look forward to continuing delivery of accessories with inspired designs that personalise, protect and enhance products that people care for, for the 20 years to come.

and design

DICOTA stands for great design inspired by end user needs and preferences! We are dedicated to bring out smart products with that extra bit of functionality or protection that elevates the user experience.

Multi collection

EN The Multi collection is our classic collection of notebook bags that have been tested for more than a decade. The Multi bags have been continuously developed over the years and are the natural choice if you are looking for the 360 degree protection that the clamshell model offers.

DE Die Multi-Kollektion ist unsere bewährte klassische Notebooktaschen-Serie, die seit über 10 Jahren erfolgreich auf dem Markt ist. Diese Taschen wurden im Laufe der Jahre kontinuierlich weiterentwickelt und sind genau das Richtige für alle, die vom 360-Grad-Schutz der Clamshell-Modelle profitieren wollen.

FR Multi est notre collection classique de sacoches pour notebooks. Elle a été testée pendant plus de dix ans. Les sacoches Multi ont été constamment améliorées au fil des ans et s'imposent naturellement si vous recherchez la protection à 360 degrés qu'offre le modèle avec chargement par l'avant.

Icons

Notebook size
The case fits notebooks between the indicated sizes.

Notebook size
The case has space for a notebook up to the indicated measurements.

Printer
A case made specifically for printer mobility. Convenient for the mobile office.

Printer size
The maximum outer dimensions a printer can have in order fit into the bag.

Top loader
Opens from the top, where the notebook can be inserted and secured.

Front loader
Opens from the front, where the notebook can be inserted and secured.

Typing Mode
The case has a stand function that can be folded for maximum ease when you type.

Cinema Mode
The case has a stand function that can be used in upright position. Great for showing presentations or watching films.

High-Density Foam
The case has built-in High-Density Foam padding that is shock absorbing and keeps its shape even when exposed to rough treatment.

Memory Foam
The case has built-in memory foam padding that distributes the force of blows evenly across the entire surface of the foam, thereby keeping your notebook safe.

Leather
The case is made of real leather.

Pull tab
The case has a pull tab to make it easy to take the tablet or phone out of the case.

Permanent Air Cells
An extremely robust multi-chamber system of air cells keeps your notebook safe.

Trolley
Case with wheels and extractable handle for easy transportation.

Tablet size
The case has space for a tablet up to the indicated measurements.

Projector size
The maximum outer dimensions a projector can have in order fit into the bag.

Guarantee

We have strict production guidelines and a demanding quality control system that enables us to offer a "no limits" warranty that covers every material and manufacturing fault for DICOTA bags.

DICOTA accessories, phone and tablet cases, cases that have a trolley function, cases with electrical components, hard-shell and other non-standard products are covered under our standard 24-month warranty.
